Antigua (1 night)

Following your arrival in Guatemala City, enjoy a private transfer to Antigua. This charming colonial city is characterized by cobblestone streets and colorful houses. Your expert guide will show you the historical center with its exquisite architecture, the Cathedral, and buildings dating back to the colonial era.

Lake Atitlán (2 nights)

Drive to Casa Palopó hotel, overlooking the beautiful Lake Atitlán. Along the road of the volcanoes, you will stop by quaint Mayan villages where residents still wear typical Mayan dress, which varies from town to town. Relax by the pool of your hotel, enjoying views of the lake and volcanoes. Alternatively, we can arrange for a private kayaking excursion with a local guide along Lake Atitlán. In the early evening, enjoy cocktails as the sun sets whilst you learn about Mayan astrology from an esteemed scholar who has been living amongst the Mayan community for more than 20 years.

At Lake Atitlán, travel by private motorboat with your personal guide to hike and explore the local villages of Jaibalito de Santa Cruz – a route that features dazzling views of the San Pedro Volcano. Whilst in one of the villages, meet with a master textile artist to learn about their efforts to recuperate traditional weaving techniques. Later, stop to see spiritual sights such as the shrine to the Mayan deity, Maximon.

Petén (2 nights)

At Casa Palopó's helipad, board your private helicopter to fly to the Petén region via Flores. Along the way, stop at the Mirador archaeological complex, known for its abundance of ancient Mayan pyramids. Upon arrival, hike to the ancient complex with your personal guide. Later, head to Las Lagunas Boutique Hotel by helicopter.

The next day, enjoy a private tour of Tikal. Here you'll learn about the ancient Mayan civilization and archaeological importance of the impressive ruins. Located in the heart of the jungle and boasting over 3,000 structures, Tikal was declared a UNESCO Cultural and Natural World Heritage Site in 1979. Listen to howler monkeys, spot toucans and enjoy the jungle atmosphere as you explore the temples, palaces, and public squares with your personal guide.

While staying at Las Lagunas, spot wildlife as you kayak across the Quexil Lagoon. During your stay, meet with a scholar from the local university to learn about Mayan history. This expert background to the ancient Mayan culture really brings the ruins to life.

Placencia (3 nights)

Drive across the Belizean border and fly by private plane to Placencia, on the Southern Caribbean coast. Throughout your luxury Belize tour, stay at the Coppola-owned Turtle Inn. This intimate property features Balinese design with the décor chosen by Mr. Coppola himself.

In Belize, embark on snorkeling or diving excursions with your personal guide. Enjoy a private boat trip to a deserted cay to explore the beautiful Belize Barrier Reef from beneath the surface before relaxing on the beach with a gourmet picnic lunch. On another day, depart on your private speedboat through the unique mangrove estuaries in the Placencia lagoon in search of manatees and dolphins. As guests of the Turtle Inn, enjoy the property's spa, restaurants, beach, and pools at your leisure.

On the final day of your luxury Belize trip, depart Placencia by private plane and head for Belize City. During the journey, enjoy an aerial sightseeing tour over the spectacular Belize barrier reef system, including the breathtaking Blue Hole.
