

PATAGONIA LUXURY TOURS, ARGENTINA & CHILE

The Land of the Giants - from the Perito Moreno Glacier to Torres del Paine

JOURNEY OVERVIEW

Experience one of the most awe-inspiring and remote regions of the world during a Patagonia luxury tour in Argentina and Chile. Begin in Buenos Aires, Argentina's modern capital. Explore the highlights of this cosmopolitan city, from the sophisticated Recoleta neighborhood, to charming San Telmo and trendy Palermo. From there, your private tour continues in the town of El Calafate, deep in the Patagonian Steppe. This is the perfect base to explore the famous Perito Moreno glacier, located within Glaciers National Park. There, walk the catwalks, enjoy a boating excursion to witness the glacier up close, or even trek on the glacier itself. Your Patagonia luxury travel continues as you are transferred in private across the border, to your lodge in Chilean Patagonia with a privileged location near Torres del Paine National Park. Spend the following days exploring the best trails of the region, such as the less crowded hike to Paso D'Agostini or a gentle hike to the Horns Lookout Point, passing by scenic waterfalls on the way. The highlight for active travelers will be the strenuous-yet-rewarding hike to the Base of the Towers for impressive, up-close views of the Paine Massif. Depending on your preferences, it is also possible to organize biking, horseback riding, or boating excursions. In the afternoons and evenings, relax at your luxury lodge, enjoying the property's amenities and luxurious spa area.

Buenos Aires (2 nights)

Upon arrival in the cosmopolitan city of Buenos Aires, your personal host will take you by private transfer to your 5-star hotel of choice. On the first day of your luxury Argentina tour, with your expert guide, you will discover the chic neighborhood of Recoleta home to the world-renowned Recoleta cemetery. In the evening, dine at an authentic “parilla” to savor some of the world’s best steak and malbec wine.

Begin the following day with a private tour of the magnificent Teatro Colón (with exclusive access to the theater’s backstage studios and dressing rooms). Visit the Plaza de Mayo with your private guide before continuing to the cobblestone streets of San Telmo with its artisans and antique shops. Alternatively, we can also organize a private biking tour through the gorgeous parks of the Palermo neighborhood, a personal shopper for insider access to the high-end Argentine shopping scene, or even a private tango lesson with a professional dancer. Following dinner, we will take you to the best tango show in town to watch this iconic dance firsthand.

El Calafate, Los Glaciares National Park (3 nights)

Fly into El Calafate to begin your luxury Patagonia tour. Your host will escort you by private transfer across the Patagonian steppe to the luxurious Eolo Lodge. This smartly designed property is located in the heart of the Anita Valley, surrounded by snow-capped mountains where you will spot wildlife species in their natural habitat. On your first afternoon, explore this beautiful valley by trekking, mountain biking or horseback riding through its unique trails.

The following day, take a private transfer to the Glaciers National Park, a UNESCO World Heritage Site. This frozen wonderland of startlingly white and piercing blue ice is surrounded by snow-capped mountains. After a short boat ride across the bay, experience an ice-trekking excursion on the majestic Perito Moreno glacier crossing towering ice peaks, huge crevasses, turquoise creeks and icy lagoons with a specialized guide. Later, after a picnic lunch facing the glacier, visit the spectacular catwalks and balconies which offer breathtaking views of the Perito Moreno Glacier.

The next day, enjoy an exciting boating excursion through icebergs and turquoise water to witness the majestic Upsala Glacier and explore an authentic, century-old Patagonian estate, Estancia Cristina, tucked away in Patagonia’s remote wilderness. In the evenings, enjoy gourmet dinners at Eolo Lodge, with spectacular views of the valley.

Torres del Paine (3 nights)

Continue your luxury tour of Patagonia as you cross the border into Chile. Depart El Calafate for a private 5-hour drive to Torres del Paine National Park across the immense Patagonian steppe. We recommend the following luxury lodges – Tierra Patagonia, Awasi Patagonia, or Explora Patagonia, and will be happy to select one for you based on your personal preferences.

During your stay, choose from a variety of outdoor adventures (in private or in a small group). You will have the opportunity to enjoy the incredible natural beauty of the park as well as its wildlife, which includes condors and guanacos. As experts in the region, we will provide you with exciting excursion recommendations based on your interests and fitness level, such as the hike to the base of the Towers or a day in the French Valley of the National Park.

After a long day of discovery and exploration in the wilderness, unwind with a relaxing massage and enjoy an outdoor jacuzzi with expansive views of the Torres del Paine mountain range and the valley with animals grazing nearby. Spend the last evening of your private Patagonia tour indulging on a gourmet meal accompanied by vintage Chilean wines.

On your final morning, take a private transfer to Puerto Natales, where you will be assisted with boarding your flight to Santiago de Chile to catch your international flight home.
