Island hopping and private adventures along the Adriatic Coast

JOURNEY OVERVIEW

With your expert guide, visit the highlights of the Old City such as Peristyle Square, the Cathedral of St. Domnius, and the winding passages of ancient palaces. From Split, your tailor-made tour of Croatia and Montenegro continues with a day of private boating among the Dalmatian Islands. The following day, take a hike through the countryside surrounding Hvar, stopping for lunch at a deserted village before exploring Španjola Fortress. Next, return to the Adriatic for another day of private boating. Stop for sightseeing in Korčula and taste fresh oysters at a private estate on the Pelješac Peninsula before ending the day at your luxurious accommodations in Dubrovnik. Spend the following day exploring this picturesque city on foot and kayak, before heading to the final destination of your private tour: Montenegro. PRIVATE TOUR CROATIA & MONTENEGRO

Please note this private Croatia and Montenegro tour is an example, as all of our luxury journeys are custom-made. You will find below a summary

Please contact us to start planning your custom-made private adventure of a lifetime.

Split (1 night)

Your luxury Croatia tour starts with your international flight arrival into Split, the country's second-largest city. You will be greeted by your personal guide and taken by private transfer to your hotel located in the heart of the Diocletian's Palace. Your boutique hotel, with exposed ancient walls from the three adjacent palaces combining Roman, Gothic and Renaissance styles, is the perfect starting point for your Dalmatian experience. Enjoy a light walking tour through the old city, recognized as a UNESCO World Heritage Site, and explore Split's living monuments which date back to 293 AD.

Hvar (2 nights)

Step on to your private motor boat and depart for your full day adventure around the Dalmatian Islands with your personal captain and guide. You will pass Komiža, located on the western coast of Vis Island, where you will see horseshoe bays and crumbling 17th century townhouses lining the coast and harbors. Continue on to Biševo, home to the spectacular Blue Grotto, Modra Špilja. On the way, you will have the option to disembark and continue by rowboat into the cave with your expert guide. Return to your boat and continue your exploration of the Dalmatian Islands, stopping in hidden coves and idyllic beaches around Vis Island as well as the stunning Pakleni Island Archipelago, until finally arriving in Hvar where you will spend the evening at Hotel Palace Elisabeth.

The next day, set off on a breathtaking hike through Hvar which takes you along the coast and up into a deserted historic stone village, where you will enjoy a traditional Hvarian lunch. Later, return to Hvar town by car with your guide, visiting the majestic Španjola Fortress along the way.

Dubrovnik (2 nights)

Head out into the Adriatic once again for a morning of island discovery on your private motor boat. Stop at the island of Korčula and enjoy a sightseeing tour through this typical medieval walled Dalmatian city. Following lunch by the sea, return to your private boat and depart south to the Pelješac Peninsula. Here you will get a unique opportunity to try oysters al fresco during a private tasting accompanied with fine local white wine and fresh mussels cooked at a private estate.

The next morning, embark on a private sea kayaking excursion to explore the caves of Lokrum Island and acquaint yourself with Dubrovnik from the seaside as you paddle beneath the old city walls. After lunch, your expert guide will take you into this beautiful city, known as the Pearl of the Adriatic. Walk along the ancient city walls which have protected a civilized, sophisticated republic for centuries, and look out towards the shimmering Adriatic.

Montenegro (2 nights)

In the morning, depart for Montenegro by car or by private motor boat. Arrive into Perast, located in the fjord-like Bay of Kotor, Montenegro. This protected UNESCO World Heritage Site is famous for its historical importance during the Middle Ages and the dramatic coastal mountain range which welcomes you as you enter the bay. You will then continue on by private transfer to your hotel, One & Only Portonovi.

Boasting astounding views of the Boka Bay, this property is nestled between the towering Balkan mountain range and the deep blue Montenegrin sea forming an almost Fjord-like landscape. From world-class Michelin dining to its wellness-focussed Espace Chenot Spa, guests can spend their time pampering themselves while enjoying the medieval highlights that are located nearby.

The following day, relax by one of the 6 outdoor pools or enjoy time at the private beach club facing the most renowned stretch of coastline, just a short walk from your villa. In the afternoon, enjoy a rejuvenating massage at the spa.

On the final day of your luxury Montenegro tour, you will be taken by private transfer to Dubrovnik or Tivat Airports for your international flight home.
