Private rainforest and underwater adventures

JOURNEY OVERVIEW

Your tailor-made tour of Belize begins with your arrival into Belize City and private transfer to your rainforest lodge in the Maya Mountains. There, you will spend the following days exploring the lush jungle that surrounds you. Options include hiking to a hidden cave that you must swim to enter, where you will find evidence of ancient Mayan ceremonies and canoeing down a river to spot the many animals that call the rainforest home. Your private tour of Belize continues in the coastal area of Placencia. There, enjoy the beautiful blue waters of the Caribbean when a private boat takes you to the most stunning cayes off the coast. Snorkel and scuba enthusiasts will explore the teeming reef before indulging in a delicious gourmet picnic lunch on the beach. Maya Mountains (3 nights)

Following your international arrival into Belize City, private transfer to your rainforest lodge. There, begin your adventure exploring the lush greens of the country's jungle and vibrant blues of its Caribbean coastline. During your first evening in the Maya Mountains, venture out on a night walk to listen to how nature's orchestra comes alive after the sunsets.

The following day, head out on an all-day excursion to the hidden caves of Actun Tunichil Muknal, only accessible via water. After an hour-long hike through the jungle with your expert guide, swim into the cave's mouth and wade through a shallow river, ultimately reaching a site of ceremonial importance to the Mayans. The next day, your last in the rainforest, after a leisurely morning you will embark on a canoe excursion down the Macal River. As you glide down the river, keep your eyes out for the wildlife surrounding you, from howler monkeys and coati to tropical birds and giant green iguanas.

Placencia (3 nights)

The following day, continue your tailor-made tour of Belize with a private transfer to Placencia, located on the Southern Caribbean coast. On the way, stop at the Cockscomb Basin Wildlife Sanctuary & Jaguar Preserve for birdwatching and river tubing before taking a refreshing dip in a waterfall. In Placencia, you will stay at the Coppola-owned Turtle Inn. This intimate property features Balinese design with the décor chosen by Mr. Coppola himself. In addition, Turtle Inn is the perfect gateway to the second largest reef system in the world, as the property boasts its own dock with direct access to the reef.

Over the next two days, embark on snorkeling or diving excursions with your personal guide to visit the highlights of the impressive reef system. Enjoy a private boat trip to a deserted caye to explore the beautiful Belize Barrier Reef before relaxing on a stunning beach with a gourmet picnic lunch. Or, take a sunset speedboat ride through the unique mangrove estuaries in the Placencia lagoon in search of manatees and dolphins. Avid anglers may enjoy fishing in some of the Caribbean's most productive waters, where barracuda, king mackerel, snapper, and grouper thrive. During your downtime, relax and enjoy the property's spa, restaurants, beach, and pools at your leisure.

On the final day of your luxury Belize trip, depart Placencia by private plane and head for Belize City. On the way, enjoy an aerial sightseeing tour over the spectacular Belize barrier reef system, including the breathtaking Blue Hole.
