### Split (1 night)

Your luxury Croatia tour starts with your international flight arrival in Split, the country's second-largest city. You will be greeted by your personal guide and taken by private transfer to your hotel located in the heart of the Diocletian's Palace. Your boutique hotel is the perfect starting point for your Dalmatian experience, featuring exposed ancient walls from three adjacent palaces that combine Roman, Gothic, and Renaissance styles. Enjoy a light walking tour through the old city, recognized as a UNESCO World Heritage Site, and explore Split's living monuments, dating back to 293 AD.

### Croatia Private Yacht (6 nights)

Board your luxurious private yacht in the port of Trogir to begin your cruise. Along the way, you will visit some of the most picturesque villages and breathtaking beaches and grottos in the Adriatic. Highlights include: snorkeling in the Pakleni Island Archipelago; sightseeing in Hvar and Korčula towns; and taking a beautiful hike along the coast of Hvar Island that ends with lunch in the deserted stone village of Malo Grablje. You will also have the chance to visit the national park in Mljet, one of the most stunning islands in the Adriatic.

Blue Parallel works with the best yachts in the region and will recommend a vessel based on your specific group's needs. In addition, the yacht will come equipped with a dedicated crew giving you the flexibility to alter the itinerary when needed, according to weather or personal preferences. Your yacht will feature comfortable cabins, ample deck space, a jacuzzi, and an assortment of water toys and snorkeling gear.

### Dubrovnik (2 nights)

You will disembark your yacht in the port at Dubrovnik, a striking town characterized by a mix of Gothic, Renaissance, and Baroque churches, monasteries, palaces, and fountains. Accompanied by your expert guide, you will discover the town both by land and sea. During a private sea kayaking excursion, you will explore the caves of Lokrum Island and acquaint yourself with Dubrovnik from the seaside as you paddle beneath the old city walls. Then, in the afternoon, walk along the ancient city walls which have protected a civilized, sophisticated republic for centuries, and look out towards the shimmering Adriatic.
