PRIVATE YACHTING GREECE

Please note this private Greece tour is an example, as all of our luxury journeys are custom-made. You will find below a summary outline.

Please contact us to start planning your custom-made private adventure of a lifetime.

Athens (2 Nights)

Your private tour of Greece begins in Athens, one of the world's oldest cities. You will be taken by private transfer to your hotel in downtown Athens with views of the Acropolis. Once a powerful city-state and a center for the arts, learning and philosophy, Athens was home to Plato's Academy and Aristotle's Lyceum, and is often referred to as the cradle of Western civilization and the birthplace of democracy. Its heritage of the classical era is still evident and represented by ancient monuments and works of art dotted throughout the city, the most famous being the Parthenon.

After you settle into your luxury hotel, visit the innovative Acropolis Museum with your expert guide. The museum's glass design is equal in size and shape to the Parthenon, and rotates the Marble sculptures and findings exactly as they were placed at the Parthenon centuries ago. After your immersion into the rich history of the Acropolis, dine at a nearby restaurant with breathtaking views of the Acropolis.

The next day, visit the Acropolis itself, a UNESCO World Heritage Site and the most important ancient site in the Western world. Later, explore the Plaka neighborhood built on top of the residential areas of the ancient town of Athens and finish at the Ancient Agora and Roman Forums, all walking distance from your hotel. Enjoy lunch at a traditional tavern before heading back to your hotel to spend some time at leisure. Later in the evening, dine at a gourmet restaurant in town.

Yachting through the Cyclades Islands (6 Nights)

Embark at the port of Piraeus in Athens for your 6-night private cruise through the Greek Isles aboard your luxury motor yacht. The yacht will be equipped with a dedicated crew giving you the flexibility to alter the itinerary when needed, according to weather or personal preferences. Please see below for a suggested Blue Parallel itinerary centered on privacy and beautiful, secluded locations. Services of personal hosts or guides will also be provided during land excursions when applicable.

Milos (1 Night)

After a delicious lunch on board, stop at the uninhabited island of Polyaigos to swim in its crystal clear waters and enjoy its deserted beaches. Continue on to Milos Island, an idyllic place for those who want to experience Greece in all its beauty and skip the crowds found on the more popular islands. Dock for the evening at the main port and enjoy dinner at a local taverna.

Santorini (1 Night)

Morning departure for Santorini which lies south east of Milos. On the way, stop at Sarakiniko beach located on the north shore of Milos island for a morning swim. Continue on until you arrive at Santorini, the largest island of a small circular archipelago in the southernmost point of the Cyclade Islands. Enjoy boating along the caldera with stops at the famous red and white beaches made of solidified lava for swimming and snorkeling. In the afternoon, disembark at Ammoudi port and private transfer to Oia to take part in an awe-inspiring 2 hour hike along the cliffs of the caldera, passing charming white churches and traditional cave houses with views of the Aegean Sea. End at Imerovigli in time to watch one of the world's best sunsets.

Anafi (1 Night)

The next morning, disembark and head to the picturesque town of Pyrgos, one of the least visited villages on Santorini where you will enjoy a cooking class and wine tasting. For those more interested in archeology, you will have the option to explore Akrotiri, a Minoan Bronze Age settlement that was destroyed in a volcanic eruption around 1,500 BC. After your morning activities, return to your luxury yacht and head to Anafi Island, a quiet and unspoiled island located east of Santorini. Upon arrival, stop for a swim at the beautiful Klissidi beach and later disembark to explore the small port town and enjoy dinner at a local taverna.

Little Cyclades (1 Night)

Your private Greece tour continues in the Little Cyclades Islands located north of Anafi. Spend the morning swimming and exploring the small and tranquil Irakleia Island. Return for lunch on board before heading to Small Koufonisia, an island known for its crystal clear waters and arid vegetation. Spend time discovering its main port scattered with charming white houses, wooden kaiks (brightly colored Greek fishing boats) and a picturesque windmill.

Mykonos (1 Night)

Morning departure for Mykonos Island, north of the Little Cyclades. Before reaching the main island, enjoy a private archaeological tour of Delos Island, a UNESCO World Heritage Site and ancient administrative center. Continue on to the uninhabited island of Renia for swimming in remote coves. Enjoy fresh grilled fish for lunch, then visit some of the island's most famous beaches such as Psarou, Paradise, Agrari, Elia, Kalo Livadi and Kalafati. In the early evening, disembark at Mykonos town – the famed cosmopolitan destination and nightlife hotspot – for some shopping and sightseeing. In the evening, enjoy a gourmet dinner at one of Mykonos' best restaurants.

Kythnos (1 Night)

Depart west to Kythnos Island (approximate cruising time: 2 hours) known for its traditional villages, beautiful beaches and folding hills. On this agricultural island, life is simple and most of its beaches unspoiled. Upon arrival, head to the stunning Kolona beach which connects the island of Agios Loukas with the rest of Kythnos and forms a golden stretch of sand with crystalline sapphire waters on both sides. Only reachable by boat (or on foot), this unique characteristic creates a romantic and tranquil atmosphere. End the day with a farewell BBQ on the beach, prepared exclusively for your party.

Disembarkation / International Departure

Early morning departure for Athens port. Upon arrival, enjoy a private transfer to Athens international airport to catch your flight home.
